

The Bistro

Welcome to Hannahs at Seale-Hayne.

Seale-Hayne was opened in 2010 as an innovative and groundbreaking solution to the lack of appropriate facilities for people with disabilities once they reach adulthood. It is an amazing place for the community, for people of all abilities, to train, learn, have fun and fulfil their true potential without judgement or limit.

A place of true integration and imagination.

A place where disability is incidental.

...and welcome to the Bistro.

The Bistro sits at the heart of the site, providing a warm welcome and good food from morning until night. We have a growing reputation for our coffee, cakes and tasty dishes created by our Head Chef Dino Pavledis and his team.

We respect seasonality, provenance and quality where possible in order to create interesting, tasty and affordable food.

From May to October, our very own horticulture team supply The Bistro with their home grown produce from fresh herbs to green vegetables, tomatoes, squashes and one of Dino's favourites, the edible flowers. Stretch your legs and take a stroll down to the vegetable gardens to see the work they do and enjoy stunning views of the Teign Estuary. Not to be missed!

In keeping with the ethos of the site, The Bistro team is a fabulous mix of personalities and abilities, keen to provide you with a friendly, professional service.

We hope you enjoy your visit!
