

Bond Dickinson and Hannahs

Making Connections

The Hannahs and Bond Dickson partnership began in 2012 with staff at the Bond Dickinson Plymouth office electing to hold a Jubilee themed fundraiser in aid of Hannahs. From here the relationship has grown and evolved into a unique and beneficial relationship for both parties. At the heart of the partnership lies Bond Dickinson's willingness to engage their many networks with the work of Hannahs. This has led to exciting new relationships with key businesses, resulting in fundraising, gifts in kind and volunteering support. Hannahs and Bond Dickinson continue to work together in a wide range of ways:

- Bond Dickinson staff raise funds for Hannahs through raffles, cake sales and even gave up the office lift for a month and took the stairs, then donated the savings in electricity use to Hannahs!
- Craig Moore, a senior partner, sits on Hannahs Think Tank a corporate ambassador group with a focus to create a major South-West business network for Hannahs. Craig was also a guest at the reception held at 10 Downing Street in aid of Hannahs.
- Bond Dickinson staff have pulled on wellies and volunteered for a day at our horticulture site.
- Bond Dickinson continues to donate expertise providing valuable resource to the charity including legal advice, reduced rates for conveyance work and HR advice.
- To date Bond Dickinson have organised and hosted 7 business lunches for Hannahs at their Plymouth office. These lunches have provided an excellent

platform to make key introductions and to assist Hannahs with corporate contacts.

- Bond Dickinson continues to invite and promote Hannahs at client hospitality events including a Plymouth Albion lunch which raised nearly £1,000 for Hannahs.
- Bond Dickinson continues to support the art program and touring exhibitions at Hannahs and have now been key sponsors for two private view events. This has helped with vital introductions and allowed Hannahs to utilise these events as engagement opportunities with high level supporters.

Hannahs is committed to sustainable travel

“Working with Bond Dickinson has been a breath of fresh air for Hannahs. Their creative approach has proved that a partnership between a charity and a business can go beyond simply raising funds. The beneficial links, networks and contacts we have established with the support of Bond Dickinson are too numerous to list plus with their sponsorship of our arts program we have been able to deliver events that simply would not have been possible otherwise. Bond Dickinson has made a big difference to the lives of the children and adults with disabilities that Hannahs supports and we are so grateful for all they do for us.”

Emily Severn, Fundraising Manager - Hannahs

“For me supporting Hannahs is about a fantastic vibrancy, opportunity, variety, creativity, warmth, compassion, tolerance and understanding. It is a real life affirmation. I know that when I drive up the road to Seale-Hayne my heart lifts, as I know there’ll be something different to see and experience, that I’ll also encounter the smiles, warmth and generosity of spirit that makes Hannahs so special.”
