

# Volunteering Role Description

## ROLE

Carpenters

## ABOUT THIS ROLE

Onsite we like to make sure we have areas that are fully accessible to wheelchairs. In order to do this the site has a large number of ramps that now need to be replaced. Window frames are also in dire need of attention and will need to be handmade due to the building being grade two listed.

## TYPICAL TASKS INCLUDE

- Making ramps, sash window frames and possibly other carpentry.

## WHAT ARE WE LOOKING FOR

- Anyone with good DIY skills or professional carpenters
- Physically fit
- Eye for detail
- Methodical working
- Work as part of a team
- Work to deadlines set
- Ability to re-prioritise workload
- Know of health and safety practices
