

### Welcome

Everyone at Dame Hannahs has really enjoyed and benefitted from the recent good weather. There have been several trips around South Devon and plenty of Easter fun. We have also been saying another fond farewell to a key member of staff and reuniting with some important volunteer fundraisers.

### Easter Fun

Everyone had so much fun over Easter hunting for eggs, making beautiful cards and cakes and generally having a chocolatey time!

### **Farewell Di**

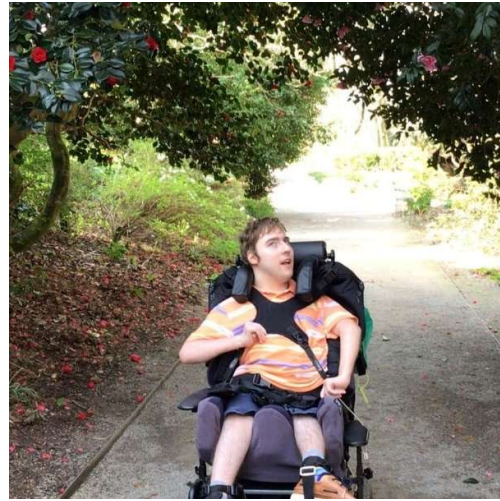

We are all very sad to say farewell to our Head Cook Di who has worked in the kitchen at Dame Hannahs for 20 years. She has always cooked delicious meals for our young people and staff. And her cakes and Christmas puddings are legendary! She will be very much missed. Enjoy your retirement Di!

### **Supporter Group Reunion**

It was lovely to welcome back our Supporter Group to Dame Hannahs. They met our new Chair of Trustees Ian Cowley and had a catch up with the Fundraising Team. They are looking forward to getting back to planning some fundraising activities and events.

### **Sunny Adventures**

Everyone has been really enjoying days out in the sunshine. They all love going out into the countryside and heading to the seaside.

### **Easter Pinata**

Our group of young adults who live in Arthur bungalow in Ivybridge had great fun at Easter with lots of activities and games including bursting a carrot Pinata filled with treats.

### **Support our Sailors**

Please support our Dame Hannahs sailors in the Eddystone Charity Sailing Pursuit on June 18th. Rachel Widger, our Recruitment Coordinator, is joining Simon Richardson, our Site Maintenance Manager, in this 26-mile offshore pursuit to raise funds for Dame Hannahs.

### **Hat Day**

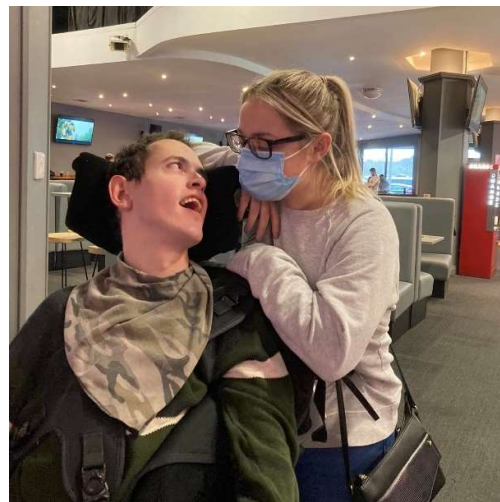

Everyone entered into the spirit of Wear a Hat Day with some wonderful hats. This was to raise funds for Brain Tumour Research.

### **Family Reunion**

Andrew Green's sister, brother in law and nieces have finally been able to come over from Australia and they had a lovely time with him and his mum after a long 33 months.

### **Bowling**

The Hayward group have enjoyed getting out and about and had a great time going bowling recently.

### **Support Dan**

Not long now until our supporter Dan Westlake runs in his first ever marathon. Dan will be taking part in the Plym Valley Marathon on 7th May. Please support him in his fundraising challenge in aid of Dame Hannahs.
