

DAME HANNAHS NEWS - JUNE 2022

Welcome

Our Jubilee party was one of the highlights of this month along with birthday celebrations. Our young adults have been enjoying the sunshine with some wonderful trips and fun activities on our field. We were also pleased to welcome new volunteers and students.

Jubilee Celebrations

Everyone had such fun celebrating the Queen's Platinum Jubilee. There was a great party with a delicious feast and lots of fun and games!

New Volunteer

We always love welcoming new volunteers. Maddie joined Dame Hannahs recently as a volunteer in the Transit Way warehouse and shop. She spotted a sign in the shop window and subsequently signed up to volunteer. She works at Transit Way twice a week sorting and

hanging clothes. "For me volunteering at Transit Way is all about the people. I really like the company and the people are lovely. I like feeling useful and also having a structure to my week. When I retired I was keen to do some volunteering and to work with other people. I also love the big space at Transit Way. I had never heard of Dame Hannahs before but it has been interesting to learn more about the charity."

Ahoy There!

It is great to see our young adults back on the water. They have been enjoying sailing trips around Plymouth Sound. A big thank you to Horizons Sailing Charity for making this possible.

Marjon Students

Marjon University students Zara Hocking and Debbie Dibello spent time at Dame Hannahs recently. They are both studying Speech and Language Therapy and really enjoyed their work placements with us. Both students are in their first year at Marjon having decided on a career change. They thoroughly enjoyed their time at Dame Hannahs.

Birthdays

We always love celebrating birthdays at Dame Hannahs. Any excuse for a party! There have been some big birthdays this month. Sarah enjoyed an ABBA themed celebration and Dan loved his birthday disco!

Community Life
The young adults who live in Arthur, our specially adapted bungalow in Ivybridge, have been enjoying getting out into the local community.

Ashley's Adventures

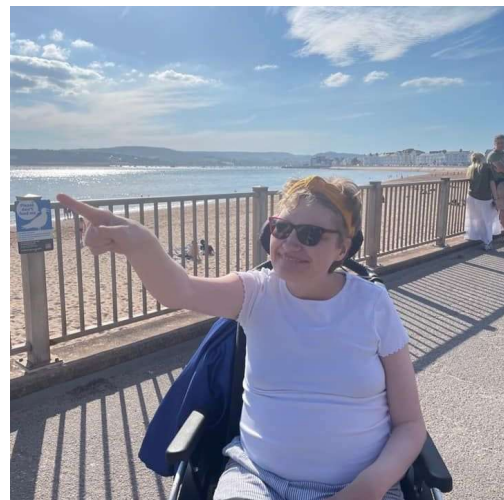

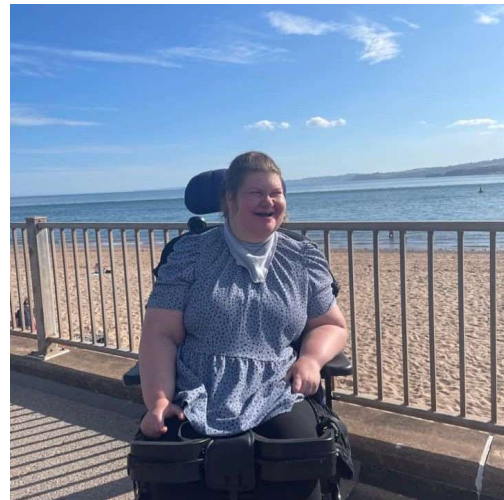

Ashley had a very adventurous time at the Calvert Trust on Exmoor recently. Abseiling down a cliff, having a run down a zip wire, going for a cycle ride and having a go at archery were just some of the exciting activities she took part in.

Field Games

Our young adults had fun taking part in different sporting activities on the field recently. This was all part of their NCFE Entry Level Certificate in Personal and Social Development that they are working towards. They are currently working on the Healthy Living unit, looking at healthy foods, activities, rest and relaxation and chose the activities as part of this unit of work.

Day Trips

Our young adults have been making the most of the summer weather and have enjoyed day trips to some wonderful places around Devon including Mount Edgumbe, Exmouth Beach and Bolberry Down.
