Welcome

Over the past month we have enjoyed some fun Spring activities despite the bad weather. We were delighted to welcome so many parents to our Special Coffee Morning and we have all enjoyed getting together for special celebration days. There have also been some fun Easter activities leading up to this weekend. Happy Easter from everyone at Dame Hannahs!

St Patrick's Day

We all had great fun celebrating St Patrick's day with Irish dancing and musical games. There were also some great Irish outfits.

Communication Group

The Communication Group has been meeting regularly to practise using the core vocabulary communication symbols that they use in everyday life. The Speech and Language team organised activities in which our adults could have fun while also using their symbols.

St Piran's Day

As we are based so close to Cornwall we all had fun celebrating their national day, St Piran's Day. The highlights of our Cornish activities were a pasty throwing competition and pasty hunt. The day is named after one of the patron saints of Cornwall, St Piran, who is also the patron saint of tin miners.

Baking and Birthdays

We have celebrated several birthdays this month and there is always a delicious cake to share with friends. Paul and Katie enjoyed their birthday cakes and Emma has been busy baking tarts.

Pamper Time

Our Activities Coordinator Isla is always thinking of new activities for our young adults to enjoy. A recent pamper session went down very well with the girls!
